Association, aims at providing financial support from the Banking system to deserving/meritorious students for pursuing higher education in India and abroad.

(b) The interest rates have been deregulated and Banks are free to fix interest rates themselves with the approval of their Boards. Banks have been advised to fix their Benchmark Prime Lending Rate (BPLR) after taking into account cost of funds, transaction cost, risk factor, margin and other overhead expenses. As per the revised model Education Loan Scheme, 2004 the Banks are to charge interest on education loan upto Rs. 4 lakh at BPLR and above Rs. 4 lakh at BPLR + 1 percent.

(c) and (d) The information on the number of applications received for education loan for studying abroad is not maintained separately by all the public sector Banks. However, the total loan outstanding by public sector Banks during the last two years is as under:

(Rs. in crore)

2005-05		2005-06		2006-07 (upto Dec. 2006)*	
Number Of accounts	Amount outstanding	Number of accounts	Amount outstanding	Number of accounts	Amount outstanding
468207	6713.16	679945	9951.49	897751	13424.12

*Information from 7 Banks is upto Sept. 2006.

(e) One of the main reasons for applications being rejected is that some of the courses for which candidates seek education loan are not recognized/affiliated to any university.
